Expectations and learning environment	Q1 Have high expectations of children and young people including a commitment to ensuring that they can achieve their full educational potential and to establishing fair, respectful, trusting, supportive and constructive relationships with them. Q2 Demonstrate the positive values, attitudes and behaviour they expect from children and young people. Q30 Establish a purposeful and safe learning environment conducive to learning and identify opportunities for learners to learn in out of school contexts. Q31 Establish a clear framework for classroom discipline to manage learners' behaviour constructively and promote their self-control and independence.
Frameworks and duties	Q3 (a) Be aware of the professional duties of teachers and the statutory framework within which they work. (b) Be aware of the policies and practices of the workplace and share in collective responsibility for their implementation. Q15 Know and understand the relevant statutory and non-statutory curricula, frameworks, including those provided through the National Strategies, for their subjects/curriculum areas, and other relevant initiatives applicable to the age and ability range for which they are trained. Q21 (a) Be aware of current legal requirements, national policies and guidance on the safeguarding and promotion of the well-being of children and young people. (b) Know how to identify and support children and young people whose progress, development or well-being is affected by
	changes or difficulties in their personal circumstances, and when to refer them to colleagues for specialist support.
Communicating/ Working with other adults	 Q4 Communicate effectively with children, young people, colleagues, parents and carers Q5 Recognise and respect the contribution that colleagues, parents and carers can make to the development and well-being of children and young people and to raising their levels of attainment. Q6 Have a commitment to collaboration and co-operative working.
	Q20 Know and understand the roles of colleagues with specific responsibilities, including those with responsibility for learners with special educational needs and disabilities and other individual learning needs.
Commu Working adults	Q32 Work as a team member and identify opportunities for working with colleagues, sharing the development of effective practice with them. Q33 Ensure that colleagues working with them are appropriately involved in supporting learning and understand the roles they
a ≷ C	are expected to fulfil.
Reflection, evaluation, versponding to	Q7 (a) Reflect on and improve their practice, and take responsibility for identifying and meeting their developing professional needs (b) Identify priorities for their early professional development in the context of induction. Q8 Have a creative and constructively critical approach towards innovation, being prepared to adapt their practice where benefits and improvements are identified
Reflecti valuat espon	Q9 Act upon advice and feedback and be open to coaching and mentoring. Q29 Evaluate the impact of their teaching on the progress of all learners, and modify their planning and classroom practice
T 0 5 0	
	where necessary.
Planning, teaching and leaming	Q10 Have a knowledge and understanding of a range of teaching, learning and behaviour management strategies and know how to use and adapt them, including how to personalise learning and provide opportunities for all learners to achieve their potential. Q14 Have a secure knowledge and understanding of their subjects/curriculum areas and related pedagogy to enable them to teach effectively across the age and ability range for which they are trained. Q17 Know how to use skills in literacy, numeracy and ICT to support their teaching and wider professional activities Q18 Understand how children and young people develop and that the progress and well-being of learners are affected by a range of developmental, social, religious, ethnic, cultural and linguistic influences. Q19 Know how to make effective personalised provision for those they teach, including those for whom English is an additional language or who have special educational needs or disabilities, and how to take practical account of diversity and promote equality and inclusion in their teaching. Q22 Plan for progression across the age and ability range for which they are trained, designing effective learning sequences within lessons and across series of lessons and demonstrating secure subject/curriculum knowledge. Q23 Design opportunities for learners to develop their literacy, numeracy and ICT skills Q24 Plan homework or other out-of-class work to sustain learners' progress and to extend and consolidate their learning. Q25 Teach lessons and sequences of lessons across the age and ability range for which they are trained in which they: (a) use a range of teaching strategies and resources, including e-learning, taking practical account of diversity and promoting equality and inclusion; (b) build on prior knowledge, develop concepts and processes, enable learners to apply new knowledge, understanding and skills and meet learning objectives; (c) adapt their language to suit the learners they teach, introducing new ideas and concepts clearly, and usi
